

AppFX presents

FX Car

Toy with App

CONGRATULATIONS!

What's included:

- FX Car (2pcs) : top cover piece and car body
- Foam Pad for all devices other than 3G(S)
- FX Driver Lite, available free in the App Store
- Instructions on the back of this card

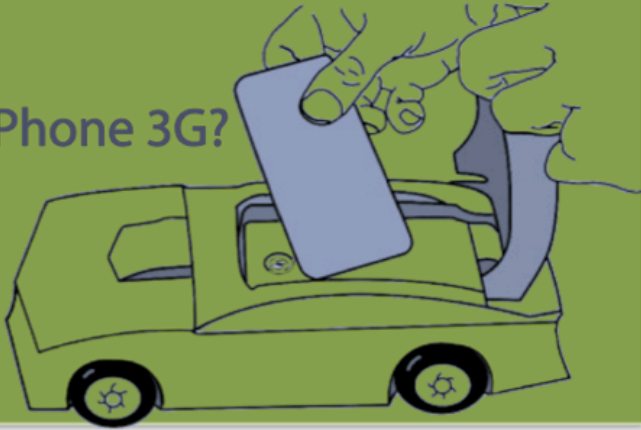

Welcome to the AppFX family. Beyond the Lite version of the App, we have the Premium edition; we have quality stickers to match your favorite play mode; we also have masking tape to build-your-own race track or city-setting for any room in your house.

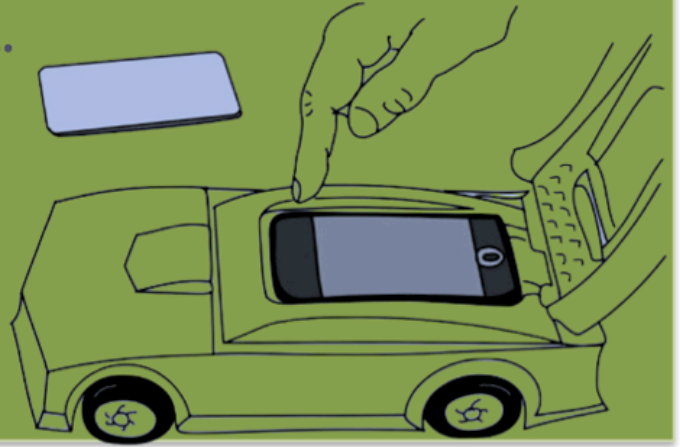

Adding iPhone/iPod Touch to FX Car
